JUNE 23-24,2017

FIRST INFORMATION CIRCULAR & REGISTRATION FORM

NATIONAL SEMINAR ON “ENVIRONMENTAL AND BIOTECHNOLOGICAL PROSPECTS AND ISSUES IN INDIA” (NSEB 2017)

Organized by INTER-DISCIPLINARY FORUM RANCHI WOMEN’S COLLEGE
(Constituent Autonomous College under Ranchi University, Ranchi )
RANCHI - 834001

For any assistance please contact : Dr Sushma Das Guru : +919431105577
Dr. Kumari Swarnim : +919431171988
CALL FOR PAPERS

Keeping in view the above issues, it has been planned to organize two days National Seminar on Environmental and Biotechnological prospects and issues in India. The main objective of this seminar is to summarize prospects in the fields of Environmental and Biotechnological sciences and their role in Biodiversity protection and conservation. Original Research papers are invited for presentation on the following themes:

- Environmental Biotechnology
- Climate Change and Global Warming
- Role of plants in environment management and health
- Biology of Cryptogams and Phanerogams
- Environmental laws for controlling water, air and Noise pollution
- E-Waste and its impact on Environment
- Disposal of Medical wastes
- Water resource management
- Plant Biotechnology and its impact on Environment
- Diversity and conservation of medicinal and endangered plants
- Role of transgenic plants and animals in food security
- Animal Biotechnology
- Biodiversity and Wild life protection
- Plant Microbial interactions
- Genomics, Proteomics and Metabolomics

PRESENTATION

There will be two categories of presentations in the technical sessions:

1. Plenary lectures/invited lectures by eminent scientists
2. Oral/poster presentations of contributed papers

ABSTRACTS

The format of ABSTRACT should be in Times New Roman Font as follows:
