Date: 22nd June to 05th July 2026

Organised By

Established -1949

Ranchi Women's College, Ranchi
(A Constituent Unit of Ranchi University, Ranchi)

In Association with

Pragya Research Association (PRAN) Ranchi Jharkhand
ISO 9001:2015 Certified
(Reg. under Govt of Jharkhand & MSME Govt of India)

About Ranchi Women's College

Premier Women's College of Jharkhand – One of the most popular and oldest colleges in the state, Ranchi Women's College stands as a Centre of Excellence in higher education for women from Jharkhand, Bihar, West Bengal, and Orissa.

Location

Located in the heart of Ranchi (Capital of Jharkhand) on Circular Road, with two separate blocks:

- Arts Block: Opposite Hari Om Tower, Circular Road
- Science, Commerce & Vocational Block: Near Jail Chowk, Circular Road

Academic Excellence

- Specializes in Social Sciences/Humanities, Sciences, and Commerce
- A torchbearer in women's education for decades

Innovative Curriculum

- Introduces new courses responding to student needs and job-market demands
- Combines traditional Arts & Science subjects with vocational courses in emerging fields like Biotechnology and Information Technology
- Enriched learning through classroom discussions, seminars, tutorials, project work, NGO networking, and expert lectures/workshops from India and abroad

Ranchi Women's College has carved a unique niche in higher education, empowering women through knowledge and skills.

About FDP

This Faculty Development Programme (FDP) is designed to support continuous professional growth of faculty members by enriching their knowledge, teaching practices, and research skills. Through expert sessions, hands-on activities, and interactive discussions, the programme focuses on modern pedagogy, integration of technology, and alignment with current academic and industry requirements, thereby contributing to improved student learning outcomes and institutional quality.

Objectives of the FDP

- To update faculty members with recent trends and developments in the relevant discipline
- To strengthen pedagogical skills and promote learner-centred teaching practices
- To encourage integration of ICT tools and innovative methodologies in classroom teaching
- To enhance research aptitude, writing skills, and project proposal development
- To contribute to overall quality enhancement in teaching, learning, and evaluation
